During his final lecture on the duality of humankind, the respectable Dr Jekyll reveals his strange association with the mysterious Edward Hyde and the shocking truth about his identity: that Hyde, unlike other human beings, is not only fundamentally evil, but also the very definition of it. Combining edge-of-your-seat thrills with stunning physical theatre, Stevenson's classic "bogy tale" is brought chillingly to life in this award-winning one-man show.

GEES  
FRI 25<sup>TH</sup> OCT

The only Bee Gees tribute show to have performed with the original Bee Gees! As with the original Bee Gees, Jive Talkin' is very much a family affair, with brothers Gary & Darren Simmons taking the roles of Barry & Maurice Gibb, with Darren's son Jack joining the group in 2014 and taking on the role of Robin Gibb. The guys are supported musically by a four piece band with Lead Guitar, Violin, Cello and Drums, to ensure that every note in every song is just right! A great opportunity to hear all the great Bee Gees hits; Tragedy, Night Fever, Massachusetts, Stayin Alive, Jive Talkin, etc, in a 2 hour explosion of music and vocal harmony, this is a night not to be missed!
